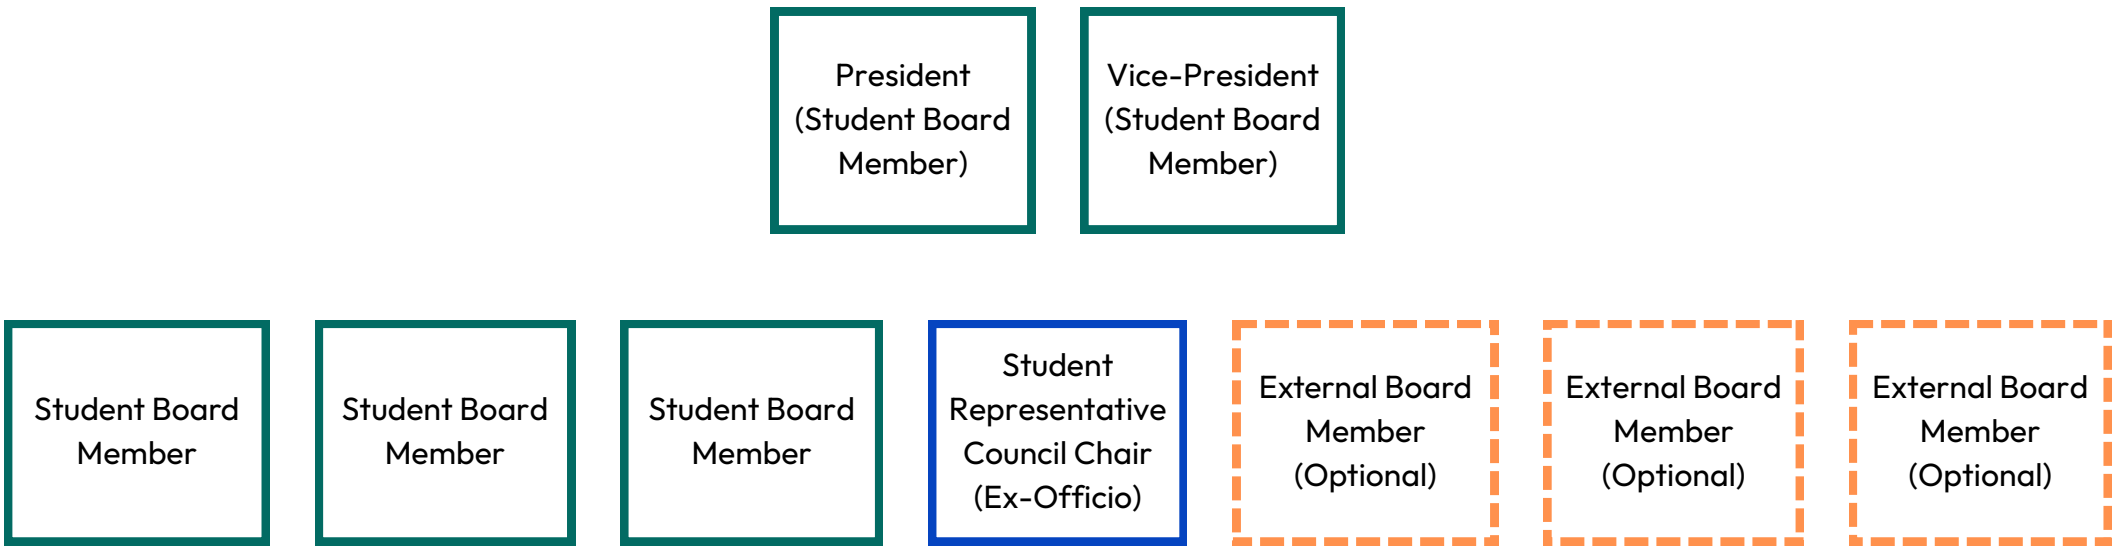
Student Representative Council 2027

UniSC STUDENT GUILD

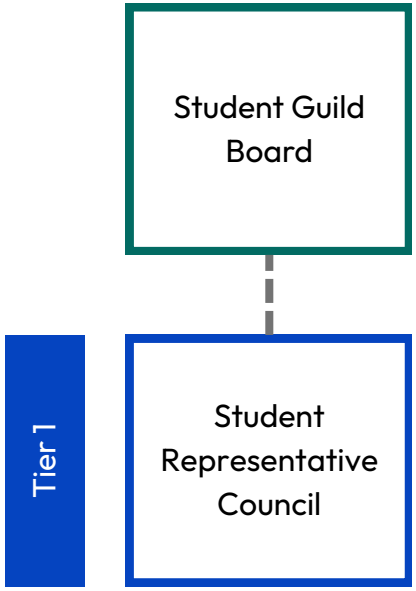
Student Guild Board Composition

- The Guild's newly adopted constitution (effective 30 April 2026), mandates the composition of the Student Guild's Board.
- The Guild will transition from its current Committee of Management (structured pursuant to the preceding constitution) via an online, secret election of its entire membership.

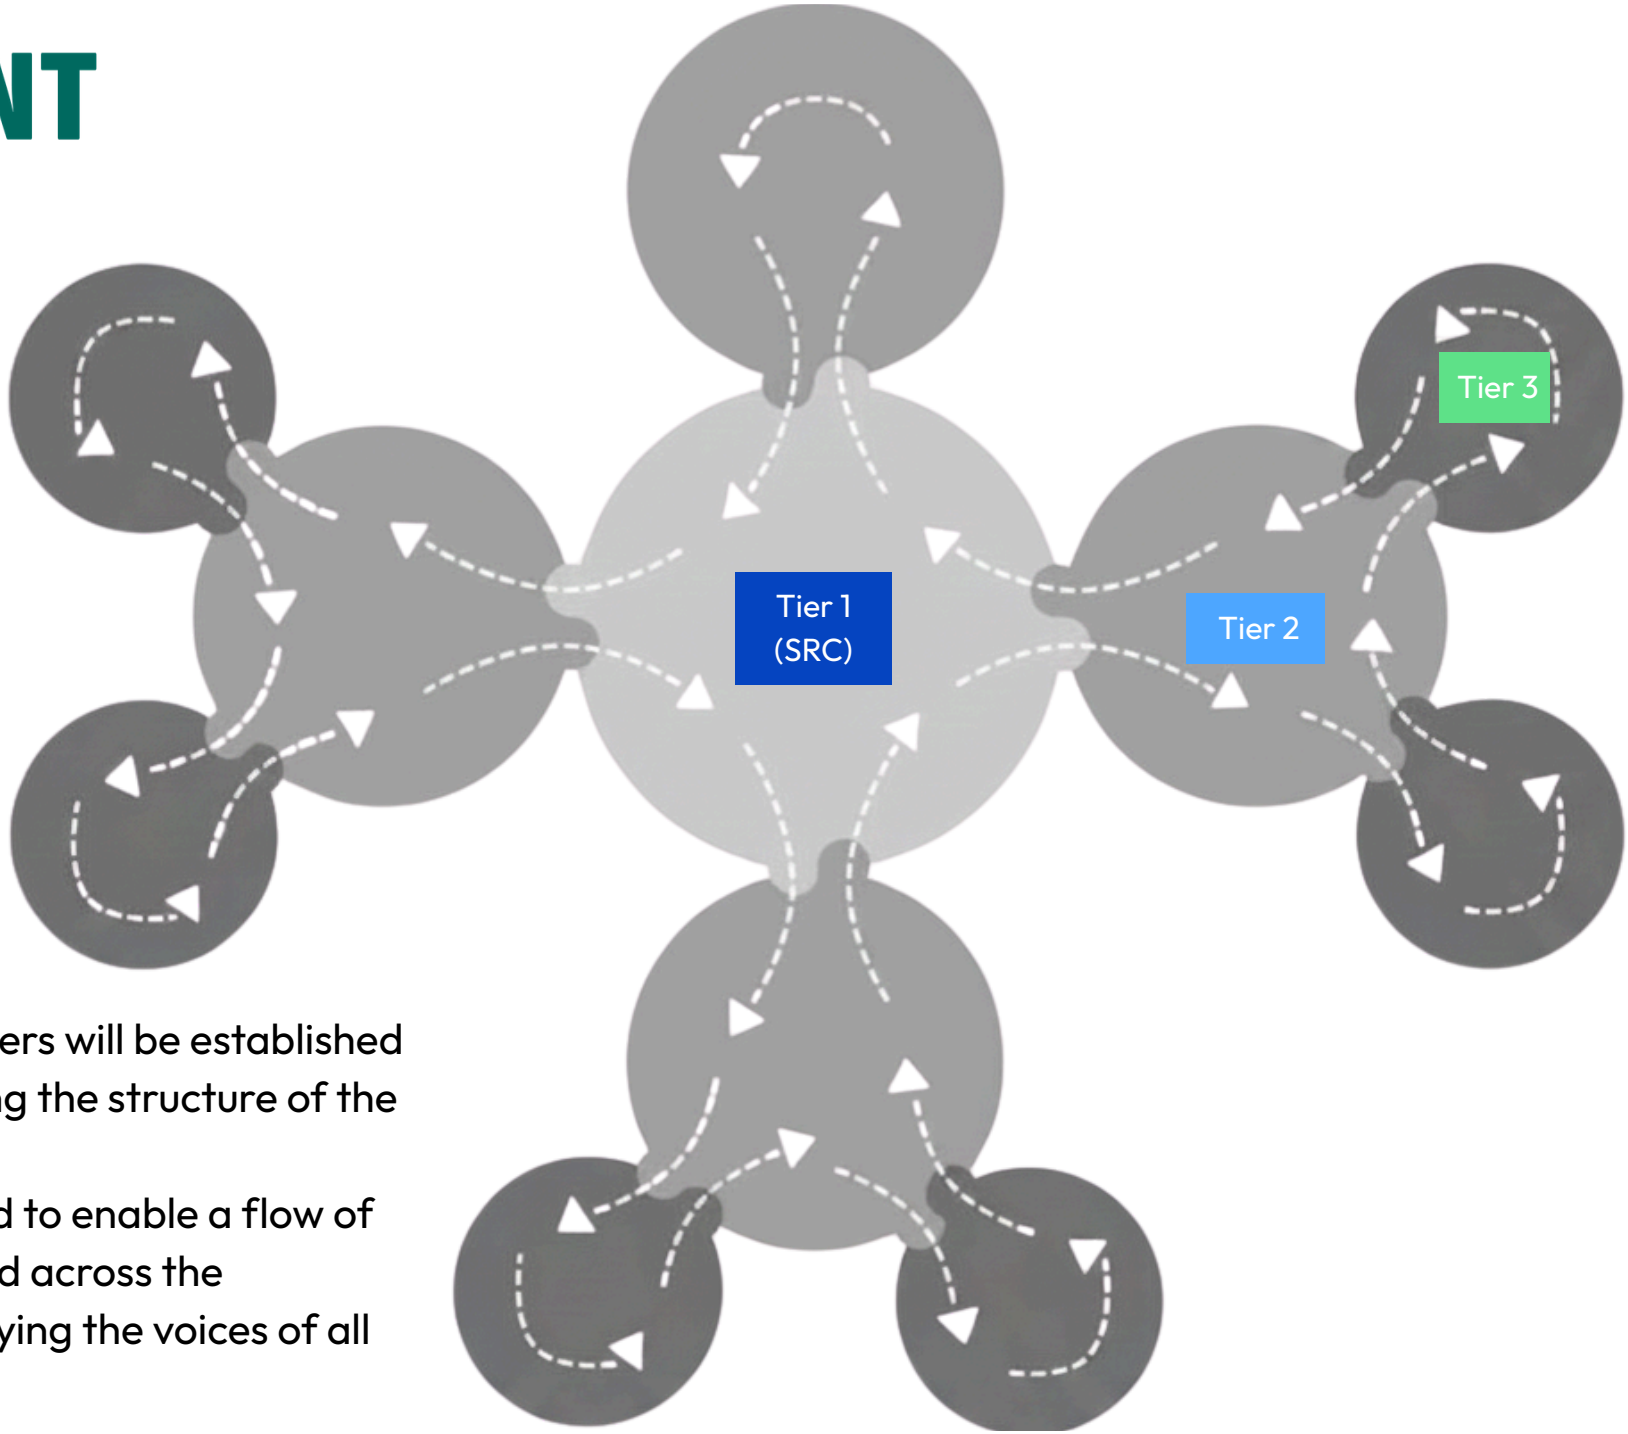


Student Representative Framework

- The newly adopted Student Guild Constitution establishes the Student Representative Council (SRC) as an ongoing sub-committee of the Guild Board, with the operation of the SRC to be developed through the Guild's Regulations.
- All direct sub-committees of the Guild Board are Tier 1 Governance Committees. Subsequent tiers are sequentially numbered - Tier 2, Tier 3, etc.



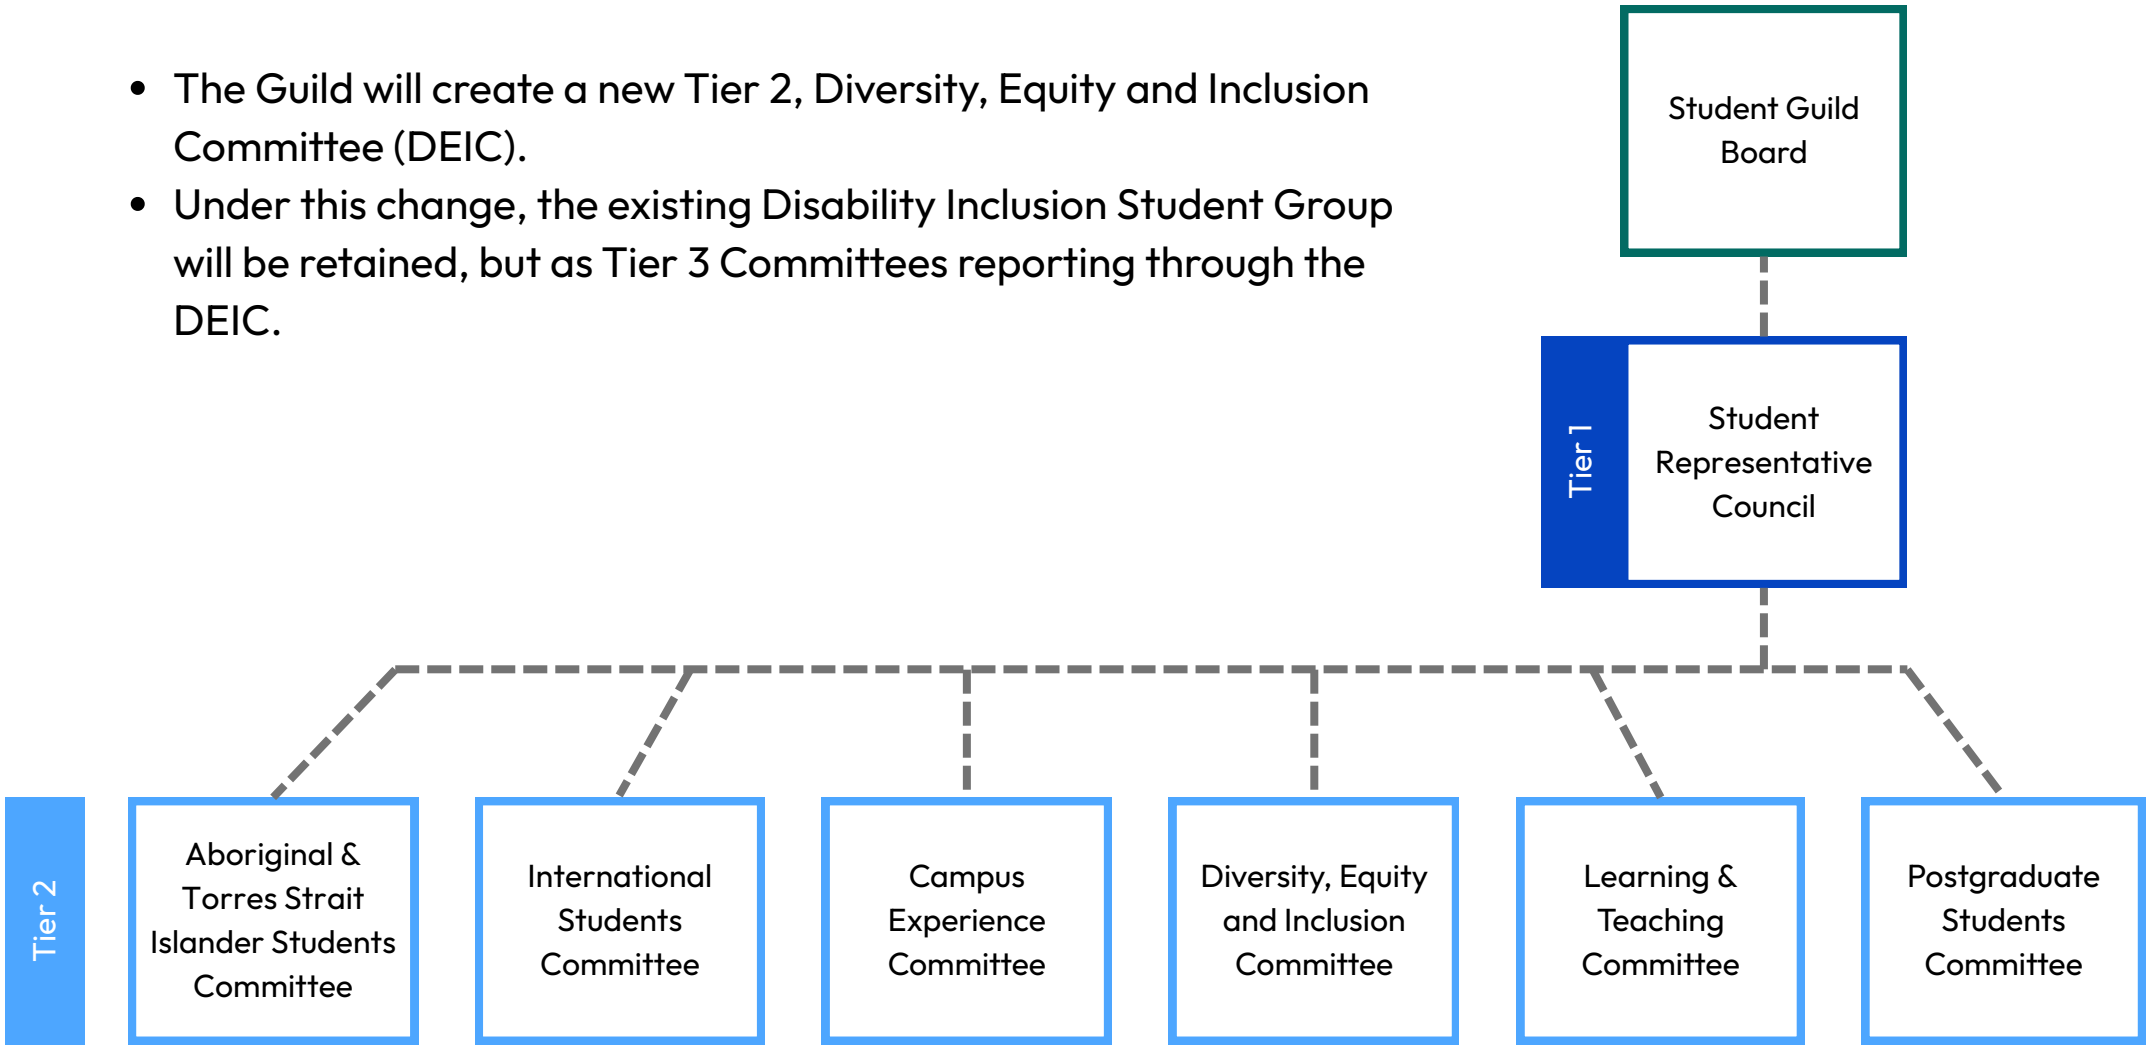
UniSC STUDENT GUILD



- Additional governance tiers will be established under the SRC, replicating the structure of the existing Student Senate.
- SRC layers are structured to enable a flow of information up, down and across the governance tiers, amplifying the voices of all cohorts

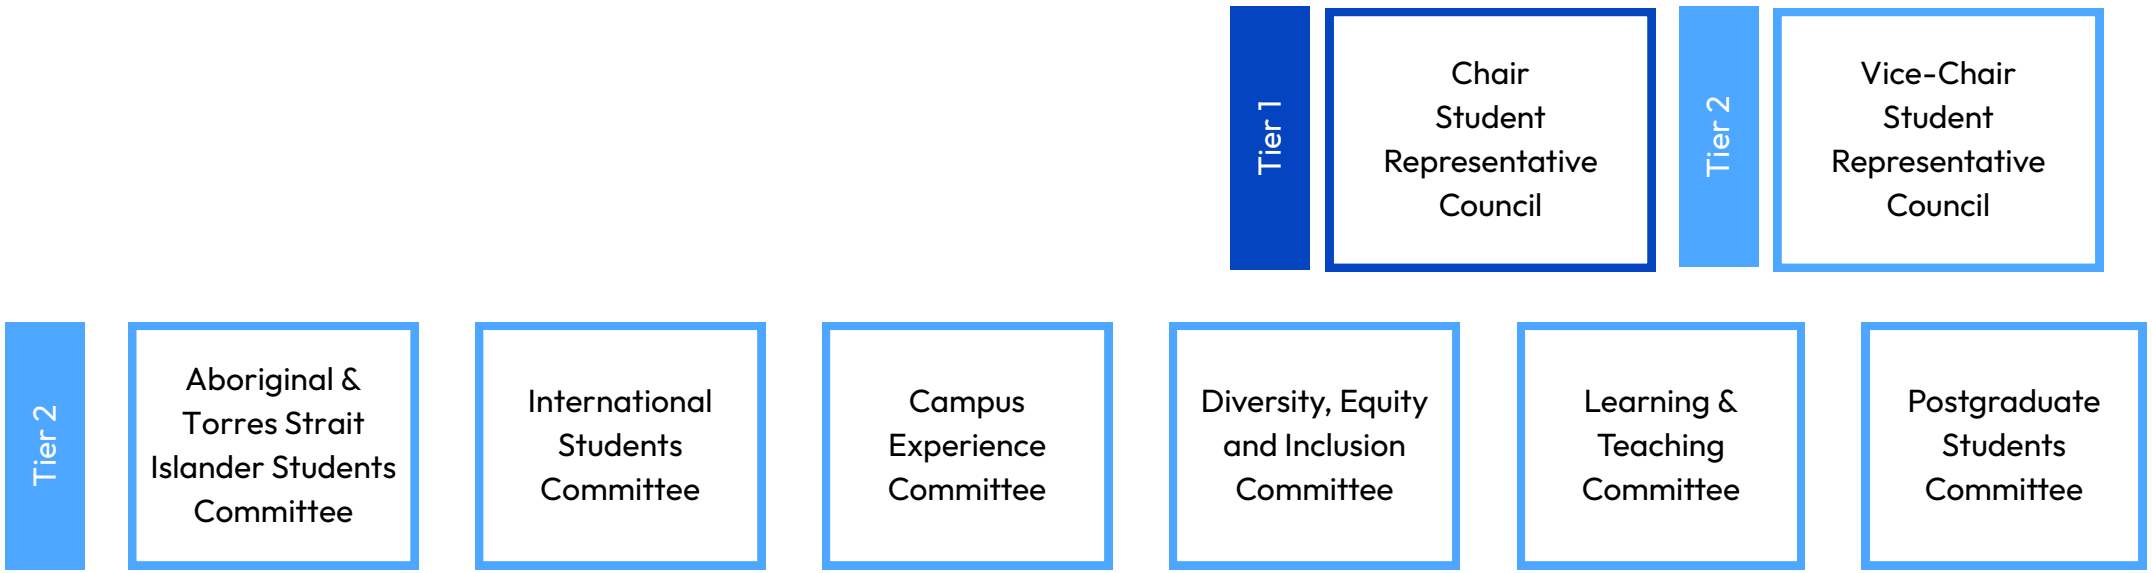
Student Representative Framework

- The Guild will create a new Tier 2, Diversity, Equity and Inclusion Committee (DEIC).
- Under this change, the existing Disability Inclusion Student Group will be retained, but as Tier 3 Committees reporting through the DEIC.



Tier 1
Student Representative Council
Composition

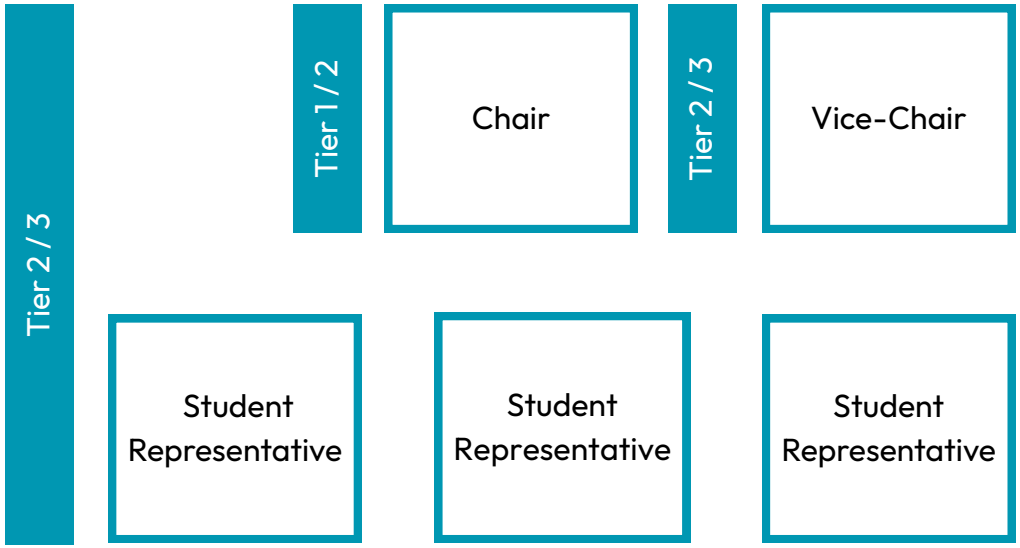
- The SRC will comprise a Chair (who will also sit on the Guild Board), and Vice Chair, along with the Chairs of all Tier 2 Committees of the SRC.
- The Chair and Vice-Chair of the SRC will be elected to these roles within annual Tier 1 elections of the full student body, which will be held simultaneous with the election of the Guild Board.
- Tier 2 Committee Chairs will also be elected by the student body, although these elections may be limited to certain cohorts where appropriate (e.g. the Aboriginal and Torres Strait Islander Students Committee should via election by Aboriginal and Torres Strait Islander Students.



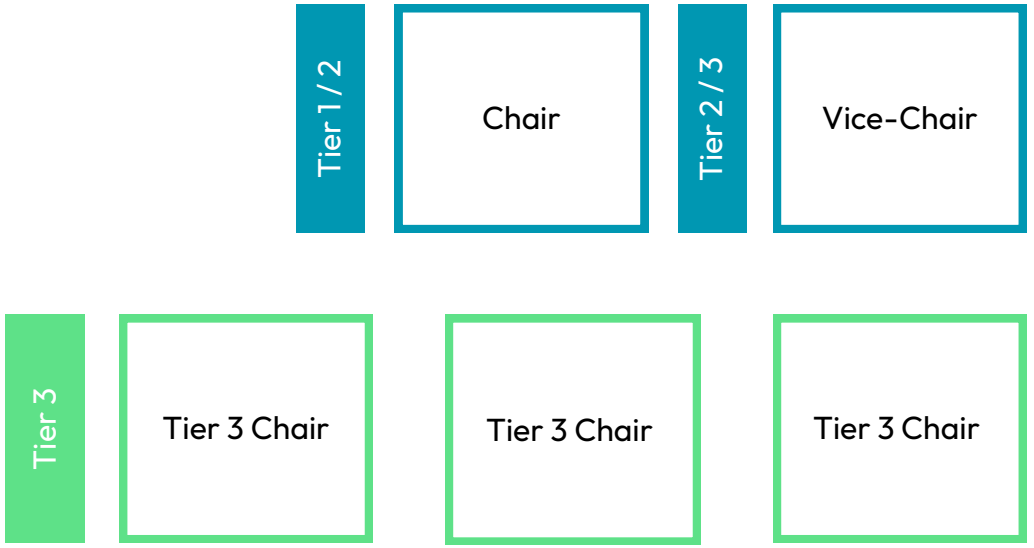
Tier 2 & 3 Committee Composition

- All Tier 2 / 3Committees will comprise a Chair and Vice-Chair.
- The Chair will also sit on the parent committee of the above Tier.

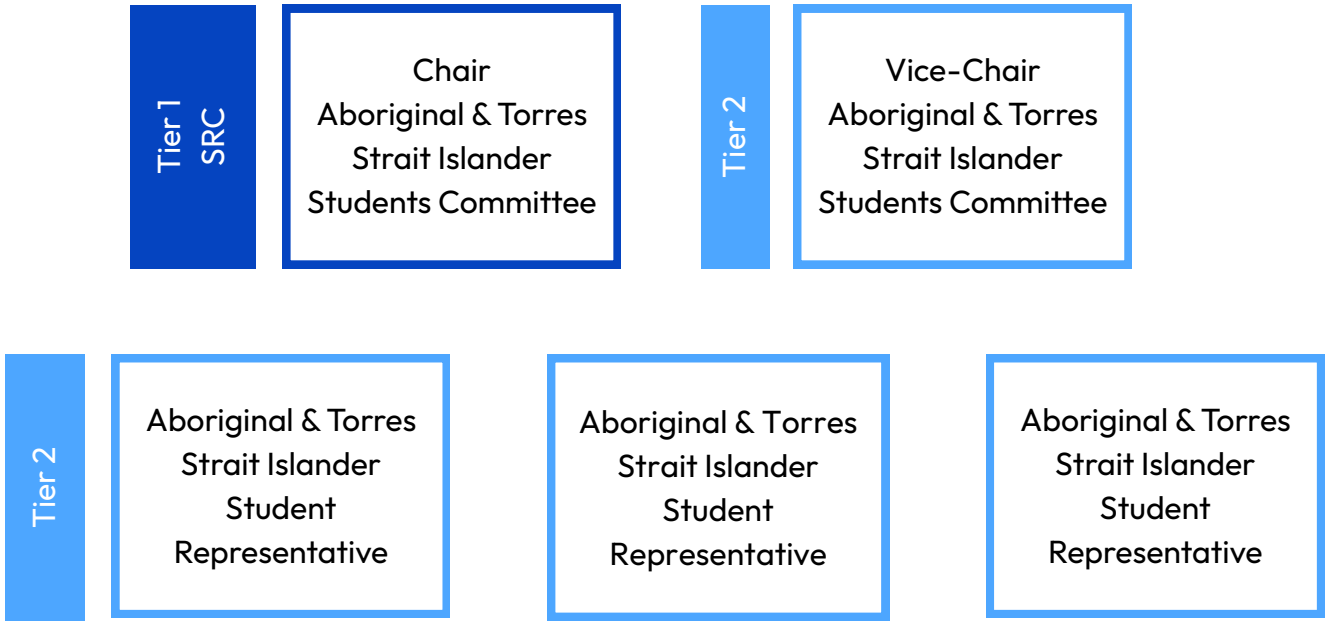
- Tier 2 Committees without sub-committees have three additional student representatives as standard, each elected in the same election as the Chair and Vice-Chair.
- Where needed to ensure cohort representation, additional Student Representatives can be added with the approval of the SRC.



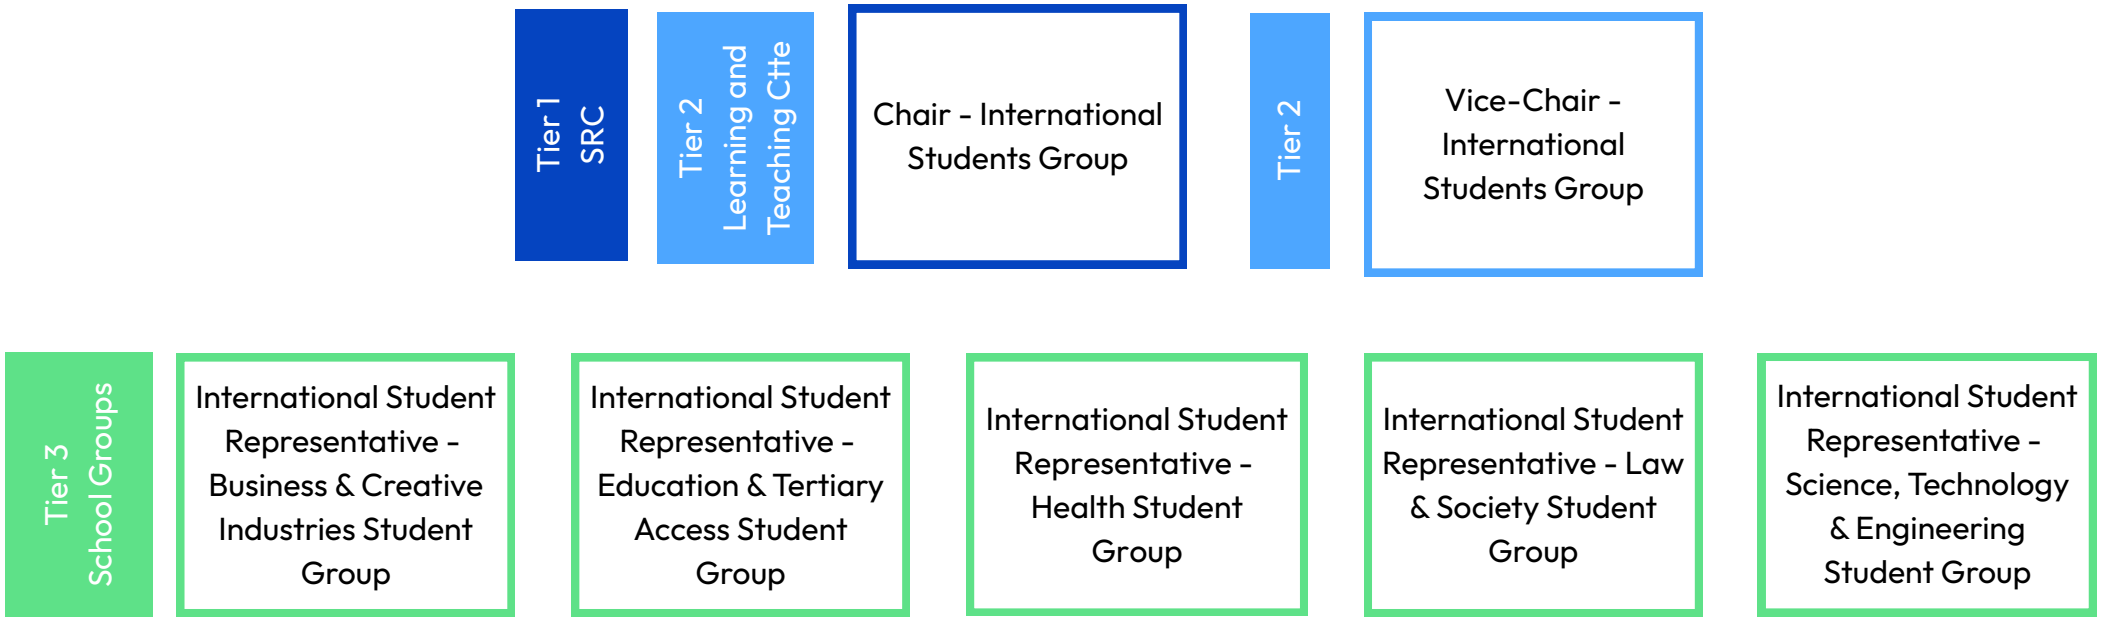
- Where a Tier 2 Committee has sub-committees (i.e. Tier 3 Committees), the Committee will be comprised of a Chair and Vice-Chair, and the Chairs of all Tier 3 sub-committees)
- Where needed to ensure cohort representation, additional Student Representatives can be added with the approval of the SRC.



Tier 2
Aboriginal & Torres Strait Islander Students Committee Composition



Tier 2
International Students Group Composition



Tier 2
Campus Experience Commitee
Composition

Tier 1 SRC

Chair Campus Experience Committee

Tier 2

Vice-Chair Campus Experience Committee

Tier 2

Adelaide Campus Student Representative

Caboolture Campus Student Representative

Fraser Coast Campus Student Representative

Gympie Campus Student Representative

Moreton Bay Student Representative

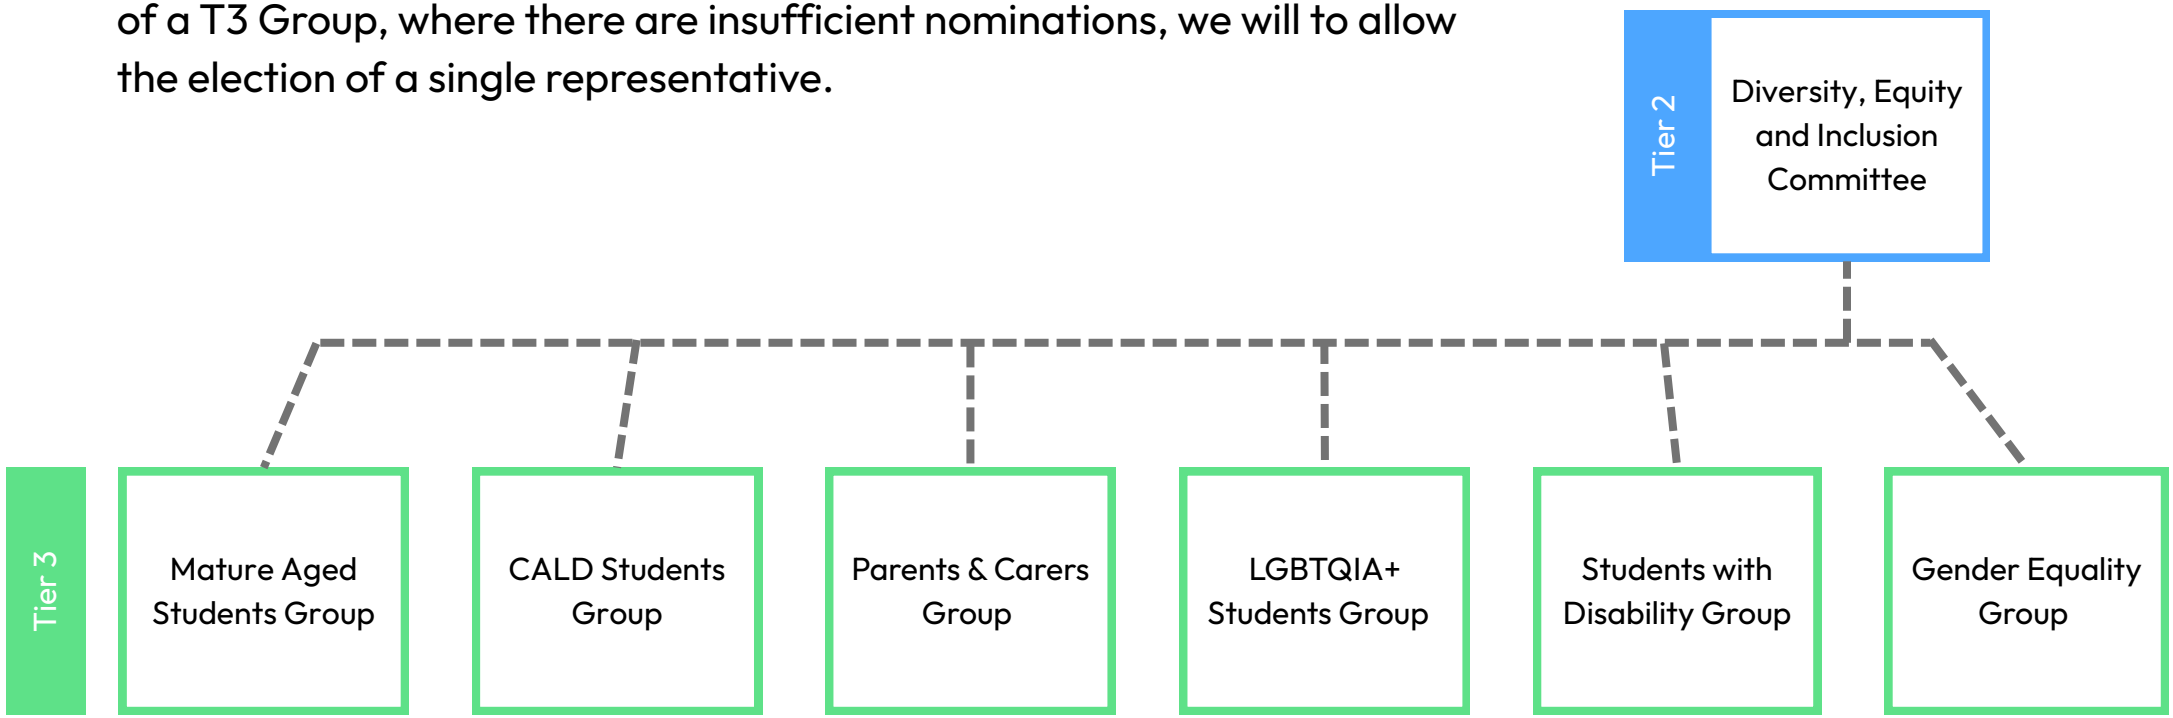
Online Student Representative

Sippy Downs Student Representative

Tier 2

Diversity, Equity and Inclusion Commitee Composition

- The current Disability Inclusion Student Group (Tier 2) will be re-aligned as a Tier 3 Committee under the DEIC. This will mean that the Chair of the DEIC will sit on the SRC (Tier 1) and the Chair of the Students with Disability Group will sit on the DEIC (Tier 2).
- Whilst we aspire for all Tier 3 representatives on the DEIC to be the Chair of a T3 Group, where there are insufficient nominations, we will to allow the election of a single representative.



Tier 2
Diversity, Equity and Inclusion Commitee Composition

Tier 1 SRC

Chair
Diversity, Equity & Inclusion Committee

Tier 2

Vice-Chair
Diversity, Equity & Inclusion Committee

Tier 3

Chair
International Students Group

Chair
